

April 29-30, 2022 @ Good Bull Ranch in Spring Branch

School Year 21-22

Dear Prospective Community Sponsor,

In today's world, people rely on great leaders to forge new paths. Whether it is as a public servant or as the head of a family, our world relies on people with the knowledge and skill to lead. For more than 90 years, FFA has provided solid leadership initiatives that prepare its members for the challenges presented by an ever-changing world.

As we look back on our history of success, we also look to the future and our constant commitment to do more.

We would like to ask you to join us in this commitment during our only fundraiser. With your help, we will be able to provide scholarships to seniors who had an impact or were impacted by the FFA program and provide supplies and goods to the FFA classes and teachers as needed to stay on the leading edge of learning.

Your contribution will make a positive difference not only to our members, but to all those in our community who care about the development of young people and to the future of agriculture and agricultural education.

Through FFA, students never have to settle for an "average" life. With the support and commitment of organizations like yours, we can ensure our community will continue to hold true to American ideals and our future leaders will continue to strive for excellence.

We will have live entertainment again this year in a private setting for the FFA community and partners. It will be held at the Good Bull Ranch in Spring Branch and this year Casey Donahew will be the headliner with Shay Domann opening for him. The event is April 29-30, with the concert wrapping everything up from 7:45 pm -11:30 pm on Saturday night.

We look forward to seeing all our returning and new guests! Please review additional information on our flyer.
