Shearing

- 1) Wash Animal Good
- 2) Blow dry animal
- 3) Shear against the hair or wool
- 4) **Never shear below the knees and hocks**
- 5) Check with Mr. Cook on possible shearing dates well in advance of show
- 6) Always put blanket on animal after being sheared
- 7) **Never leave animal unattended on stand**

Showmanship (Dottie Cook)

- 1) Teaching animal to lead
- 2) Setting the feet
- 3) Dress Properly
- 4) Become familiar with the ring
- 5) Keep animals head up high
- 6) Keep animals body, neck and head in straight line (prevents animal from turning)
- 7) Keep animal set up at all times
- 8) Keep your eye on the judge
- 9) Always keep the animal between you and the judge
- 10) **Do not put pressure on the back of the animals head (this causes the animal to pull back against you) MOST SEEN PROBLEM**
- 11) Never give up, always keep a good attitude, **Bad Sportsmanship is never allowed**
