*How your donation will be used? During the live sale, **WE'RE ALL IN** consolidated donations will be used to incrementally boost the sale price of projects that fall on the low end of the bidding scale. We do not buy specific peoples projects. With participation by supporters such as you, the **WE'RE ALL IN** buying group was one of the Top Buyers of the 2014 Show.

***WE'RE ALL IN** has taken the CCJLSA to a new level, with it's **KIDS FEEDING KIDS** program. We will have 2 Steers and 3 Hogs from the Comal County Jr Stock Show processed and freezer wrapped. The meat will then be distributed to Comal County Crisis Center, New Life Children's Center of Canyon Lake, Connections, and St Jude's Children's Shelter of Comal County. Donations will be made publically with all the **WE'RE ALL IN** contributors listed being part of **KIDS FEEDING KIDS**.

*By joining **WE'RE ALL IN** with your tax-deductible donation, you will receive:

- Two tickets to the Annual CCJLSA Banquet
- Wristband for use at the Show, which will allow the wearer to eat and drink free.
- Your name to be displayed and mentioned in the auction area as a donors.
- Invitation to the **WE'RE ALL IN** Buyers Appreciation Social January 23rd.
